give them their very first swimming lesson in your own back garden

Splasher Pools

Add-on Kits & Optional Extras

Maintain a clean and sparkling pool and have peace of mind this summer

Splasher pool add-on kits will help keep your pool looking great with a manual cleaning kit, and the Solar & Winter Covers will give you all year round protection.

A garden heater enhances the time you spend in your pool with easy fitting.

Garden Leisure Heaters are available in both 3kW and 5kW.

An Acti Water treatment Starter Kit will provide you with everything you need to start maintaining water balance and a healthy pool.
