

## Ultra-Kleer Plus 4 in 1

500 ml per 60,000 litres of pool water every fortnight

### What is it?

Lo-Chlor Ultra-Kleer Plus 4 in 1 is made from Chitosan which is derived from crushed crustacean shells. It is a truly natural polymer, 100% bio-degradable and non toxic.

### Who needs it?

- Any pool owner who needs to remove metals, oils or body fats from the water.
- Any pool owner who has a cloudy, unsightly pool.

- Perfect to get rid of all that sun tan lotion which guests may have jumped into the pool wearing.
- It should be used in every newly filled pool.
- It is the ideal product for the pool owner who wants to add sparkle to a dull looking pool.

### What does it do?

Ultra-Kleer Plus 4 in 1 is a unique fast acting clarifying agent which also removes dissolved metals and oils from the water.

### What advantages does it have over other similar products?

- Ultra-Kleer Plus 4 in 1 may be used with all known pool treatments.
- Ultra-Kleer Plus 4 in 1 may be used in all types of pool finishes.
- It is non-toxic and fully bio-degradable.
- By reducing the levels of body fats and oils, it actually enhances sanitiser activity.
- It enhances the filtration cycle, increasing time intervals between backwash cycles.

### Professional tips:

- It is safe to use where fish are present
- Unlike conventional flocking agents, this product does not deposit suspended matter on the floor of the swimming pool.
- Matter is kept in suspension in the water and this is termed as "chelating".
- Suspended matter is then filtered from the pool and it accumulates on the filter pads or filter media. This matter is removed when the filter is backwashed.
