SX Line

SX30

Discover an Exceptional Experience

Powerful performance

Total cleaning and optimized water filtration, with gyroscopic navigation system for full cleaning coverage.

Ease of use

The easiest, most efficient and economical solution for keeping your pool clean.

Peace of mind

Relax and enjoy your pool, knowing that you're using the smartest and best-selling robotic pool cleaner.

maytronics

Dolphin SX30

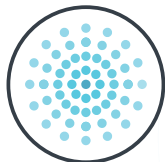

Discover an Exceptional Experience

Experience superior Maytronics Dolphin Robot S Line pool cleaning with the SX30. With its ultra-light weight and quick water release, Maytronics Dolphin SX30 is super-easy to handle. Choose between two filtration options to capture rough debris or fine dirt. Dual brushing action and PowerStream Mobility System ensure efficient pool coverage, with extra-thorough scrubbing on all surfaces - leaving the floor, walls, and waterline spotlessly clean.

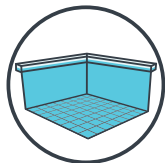

Lightweight design makes pickup a breeze

Multi-layer filtration system with integrated fine and ultra-fine filters, removes both rough and fine dirt and debris

Actively cleans and scrubs away algae and bacteria

Covers your entire pool - floor, walls and waterline

PowerStream mobility that navigates across the pool's floor, walls, and waterline

Top load filter basket for super-easy cleaning
