

VERDON VS CONNECT WITH ENERGY EFFICIENCY

MAXIMUM PERFORMANCE, MINIMUM CONSUMPTION

The 3 speed settings on the VERDON VS pump deliver **optimum power consumption, with savings of up to 80%**, whilst adjusting the pump speed to the characteristics of each pool.

SHHHH... JUST HEAR THE SOUND OF WATER

The VERDON VS pump is **up to 12 dB(A) quieter** than a standard filter pump.

YOU HAVE THE CONTROL, WHEREVER YOU ARE AND WHENEVER YOU WANT

There is an **LCD control screen** for easy pump set-up and control. What's more, the **Fluidra Pool App** enables you to control the VERDON VS from your mobile phone whenever you want and wherever you are.
